Oh, your savings should stay...

Congratulations, you're approaching your day.

You're retiring from the Church. You'll be on your way.

You're trying to decide if your savings should stay.

You have money on account, you know what you know.

Let Wespath give you reasons your money shouldn't go.

You'll consider the benefits, look them over with care.

If you compare other providers, you won't want to go there.

Just think of our autopilot solutions. EY financial guidance too.

When you consider the housing allowance, you'll know what to do.
