Beneficiaries Go Digital

Let Us Know Your Wishes Online

Your Wespath-administered retirement plan balance can help you provide financially for your loved ones after you're gone. Surviving spouses, alternate payees and non-spouse beneficiaries can now choose or change their beneficiaries online, so no more forms are needed.

Even if your beneficiary hasn't changed, it's possible that his or her contact information has. Be sure to verify the information Wespath has on file to ensure your account balance is left to the ones you choose.

To add, remove or update beneficiaries now on

benefitsaccess.org, see the steps below:

1. Select **Take Action**,
2. Click the **UPDATE PERSONAL DATA** drop-down menu, and
3. Choose **Update beneficiary designations**

a general agency of The United Methodist Church
