

Listen in on February 25: “A Focus on Savings” Webinar

America Saves Week is an annual celebration that encourages Americans to commit to saving successfully—setting a goal and making a plan to achieve better financial stability.

This year, Wespath will kick off our observance of this national event by offering a 30-minute webinar: “A Focus on Savings” on **Tuesday, February 25 at 2:00 p.m., Central time.**

Find out how saving in the United Methodist Personal Investment Plan (UMPIP) can help prepare you for your financial future. The webinar will provide tips on maximizing tax benefits, deciding on contribution options, managing your investments and more.

To register for the webinar go to wspath.org/events.

After the webinar, you can contact an EY financial planner at no additional cost* at **1-800-360-2539** or wspath.eynavigate.com for personalized, confidential guidance on saving.

Register today!

**Costs for EY Financial Planning Services are included in Wespath’s operating expenses that are paid for by the funds. Services are available to active participants and surviving spouses with account balances, and to retired and terminated participants with account balances of at least \$10,000.*
